

New Jersey Conservation POSTER CONTEST

2018

Prizes for
Statewide

Competition

1st Place \$200

2nd Place \$100

3rd Place \$50

The New Jersey Conservation Poster Contest is open to all students in grades 2-12 and students compete in grade categories. Local Soil Conservation District prizes may also be awarded!

Contest Sponsors:

The NJ Department of Agriculture,
the NJ Association of Conservation Districts, and
your local Soil Conservation District

Who Can Participate ?

The Poster Contest is open to all students in grades 2-12 — public, private, home schooled and youth groups included.

Why Participate ?

Designing a poster and researching the theme can give you a voice in your community about important conservation issues. Good posters capture people's attention and deliver stories in a way that everyone can understand. A powerful graphic can inspire people to be concerned about conservation.

Information Resources: *Watersheds: Our Water, Our Home*

A watershed is land that sheds water. A watershed carries water "shed" from the land after rain falls and snow melts. Water is channeled into soils, groundwaters, creeks, and streams, making its way to larger rivers and eventually the sea. All of the water under or draining off of a particular watershed goes into the same place. Watersheds come in all shapes and sizes. They cross county, state and national boundaries. Some are millions of square miles, others are just a few acres. The important thing about watersheds is that what we do on the land affects water quality for all communities living downstream.

You can find resources at your school or public library, science books, local newspapers, nature centers and from the NACD website www.nacdnet.org Stewardship & Education section. Get guidance from your teacher or parents to find information on the internet about watersheds.

Web Resources:

- <https://www.epa.gov/environmental-topics/water-topics#our-waters>

NJ has 20 watershed management areas.

DID YOU KNOW.....

- ♦ In the continental US, there are 2,100 watersheds. If Hawaii, Alaska, and Puerto Rico are included, the count rises to 2,267 watersheds.
- ♦ Only 1% of the water on our planet is fresh useable water.
- ♦ The average person uses 70 gallons of water every day!
- ♦ Water can soak into the soil until it reaches underground rivers or aquifers.
- ♦ Groundwater is water that moves through spaces in soil and rock underground.
- ♦ Pet waste left on the ground can wash into storm drains and ditches. From there it flows into lakes and streams where it can contaminate the water with harmful bacteria.
- ♦ Plants prevent erosion which leads to soil being moved through the watershed into our lakes and rivers.
- ♦ Watersheds can vary greatly in climate, animal life, plant life, human population, amounts of water, and size.

Online Tips for Creating an Effective Poster

The National Association of Conservation Districts at www.nacdnet.org provides links to assist with creating posters. Click on the "Stewardship & Education" tab and find "Poster Contest" under "Contests" for an overview of the 2018 theme, and for tips on what makes a good poster and the National Visual Arts Standards.

NJ Soil Conservation Districts (SCD) are special purpose subdivisions of the State. In cooperation with the State Soil Conservation Committee, they are empowered to conserve and manage soil and water resources and address stormwater, soil erosion and sedimentation problems that result from land disturbance activities. There are 15 Soil Conservation Districts in New Jersey. (See back page for list.)

In response to growing public concern for water quality, NJ conservation districts have become the primary local governmental agencies responsible for monitoring nonpoint sources of pollution associated with agriculture, construction and mining. The technical services of the USDA, Natural Resources Conservation Service and other resource agencies are made available through the districts.

New Jersey Rules

These rules must be followed for your poster to be accepted by your local Soil Conservation District. Entries that do not conform to the rules will not be judged.

Please review and follow your local Soil District rules for the deadline!

1. Clearly print your name and information on the entry form **AND** tape the completed entry form to the back of your poster.
2. Tape a 1-3 sentence explanation of your poster, neatly written on a 3" x 5" or 4" x 6" index card, to the back of the poster. Be sure to write your name and county on the index card.
3. **Contest theme "Watersheds: Our Water, Our Home" must appear somewhere in your poster. Leave a 1 inch border of white space at the edges of the poster; lettering should not run on to the edges.**
4. The poster must be flat, no 3-D objects.
5. Poster size must be between 8.5" x 11" and 22" x 28".
6. Any medium may be used including paint, crayons, colored pencils, charcoal and paper. Computer designed artwork is allowed but **clip art is not acceptable.** No collage or montage.
7. One poster per student.
8. The poster must be the original artwork of the student.
9. **ENTRY DEADLINE: See Local District Rules** →
10. Decisions of the judges are final and all entries become the property of the contest sponsors.

Poster Evaluations

Posters will be judged on the following criteria: Relevance to contest theme: **"Watersheds: Our Water, Our Home"**

- Conservation message
- Visual effectiveness
- Originality
- Overall appeal

CASH PRIZES for the New Jersey Statewide competition are awarded by the:

New Jersey Association of Conservation Districts

First - \$200 Second - \$100 Third - \$50

Local District Rules & Prizes

Contact your local district to verify participation (Page 4)

1. The teacher of each class/group participating in the contest is responsible for selecting one or two winning posters per class. Please do not send in posters from an entire class. (If you teach multiple classes you may submit posters from each class period.)
2. **Follow ALL the rules to the left.** The contest theme **"Watersheds: Our Water, Our Home"** must appear on the poster.
3. An entry form should be taped to the back of each poster along with a brief explanation of the poster written on an index card (also taped to the back of poster).

Freehold SCD Prizes for Each Grade Category*

1st Place	\$100
2nd Place	\$75
3rd Place	\$50

(Grade Categories are: 2-3, 4-6, 7-9, and 10-12)

All first place winning entries are submitted to a State level competition.

ENTRY DEADLINE (Post-marked by): March 16th, 2018

Mail or deliver entries to:

**Freehold Soil Conservation District
4000 Kozloski Road
Monmouth County Agriculture Building
Freehold, NJ 07728**

Questions? Please contact Holly Reynolds at 732.683.8500 or email hreynolds@freeholdscd.org.
